### **Mrs. Beegee Baugh to Speak at Mother's Day Parade**

We are looking forward to hosting Mrs. Beegee Baugh as our distinguished speaker next Friday, May 11th for our Mother's Day Parade. The event will be held on Grant Parade at 8:00am.

As gracious and giving as the day is long, Beegee Clark Baugh is the type of person who makes every chore a work of love and who has the ability to inspire the very best in people. She is the widow of the late Dr. James Baugh (HS '37 and JC '39). Earning her Bachelor of Arts degree from Georgia State College for Women, she taught art at both Baldwin High School and at her alma mater. She also taught art to children in the Summer Arts Program and worked with clients at Central State Hospital in Art Therapy and Garden Therapy.

Their daughter, Patricia Ann Baugh Thompson (HS '73), and grandchildren Ellie (HS 2011) and Nathan (HS 2013) are also alumni of Georgia Military College. For many decades, she has supported GMC in every way possible; giving financial support, attending events, volunteering for anything that needed to be done, and being an ambassador for all our school stands for.

Beegee is a part of our Georgia Military College Family, as she received the 2001 Honorary Alumni Award. Beegee is one of the founders of the Georgia Military College Performing Arts Series, and currently serves as chair. She is also a member of the GMC Foundation Board of Trustees.

## Footloose The Musical

Once again, we were dazzled and amazed by the outstanding performances from our Prep School students in last week's highly anticipated debut of *Footloose*. The show was completely sold out for three of the four nights, with about only 10 empty seats at Wednesday's performance.

Congratulations to our talented students on a fantastic performance! We are already looking forward to the July reveal of the 2018-2019 Theatre season. Stay tuned for more updates!

## Prep Boys Varsity Soccer Team Success

GMC Prep's Boys Varsity Soccer team finished their regular season with a record of 16-2. This sets a school record for most wins in a season! They also remain undefeated at home this season. Under the leadership of Captains Aaron Kirkland, Blake Taylor, and Sean Herndon, the Bulldogs have focused on game mechanics and coming together as a large family. Coaches Jason Barbee and Bobby Jaworski instilled a championship mentality in the squad from day one. The theme for this year was "Play in May" meaning they plan to fight for a spot in the post season.

On Friday April 27, the Bulldogs faced Eagles Landing Christian Academy at home in the first round of state playoffs. Thanks to the contribution of Freshman Ethan Tolentino's two goals, the team remained undefeated at home with a 2-1 victory. They have now earned the privilege of playing in May as they face Savannah Country Day on Wednesday, May 2nd.

### Prep Varsity Baseball Team Assists with Miracle League

Our Varsity Baseball Team traveled to Rockdale County on April 21st to assist athletes with the Miracle League! Miracle League baseball believes "every child deserves a chance to play baseball" and provides children with unique abilities the opportunity to play on a typical baseball field. GMC players partnered up with players from both teams and played a game together. It was a special day for everyone!

### GMC Columbus Phi Theta Kappa Students Give Back to Community

Phi Theta Kappa students from GMC's Columbus Campus participate in a donation drive each year for Damascus Way, a shelter for women and children.

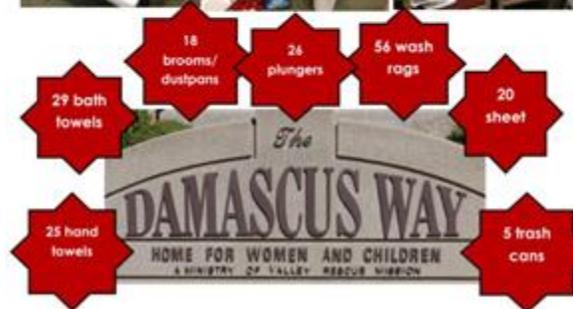

This year, Damascus Way is getting a new facility and needed items to make it feel a bit more like home.

The shelter director, Ms. Debra Hunsinger, requested bed linens, towels, brooms, dustpans, wastebaskets, and toilet plungers.

GMC students, faculty, and staff members came together to collect numerous household items for residents to use in the new 51-bed shelter facility.

GMC Columbus' Phi Theta Kappa chapter recently completed a donation drive for our sister organization The Damascus Way Home for Women and Children. During this campaign, students, faculty, and staff members collected household items for residents to use in the new 51-bed shelter facility.
